

4C - Ms. Whittier 2017 - 2018

Sutton Elementary School

Dear Parents and Incoming Fabulous Fourth Graders,

Hello! Welcome to 4th grade! Here is some information to help you get ready for our year together. Over the summer, continue to practice your multiplication facts (0-12). Having them memorized will really help you! Please also continue to review your addition and subtraction facts. Try to read every day for at least fifteen minutes. On the first day of school, please bring your favorite book that you read over the summer. I can't wait to hear all about it!

The supplies below are needed for the first week of school:

- *Colored pencils
- *Pencils
- *Erasers
- *2 Highlighters (different colors if possible)
- *3 Composition books
- *Pencil box for supplies
- *Clorox wipes
- *Sharpie marker
- *Sturdy plastic homework folder (3-hole punched to put in binder)
- *Paper pocket folders with prongs - 1 of each - red, green, blue, purple, orange, and yellow
- *Crayons (24)
- *Small individual pencil sharpener
- *Glue sticks
- *White board and dry erase markers
- *Scissors (children's)
- *1 - 1" three ring Clear View binder
- *Red pens for editing
- *Box of tissues
- *3-Hole punched pencil pouch

We will use glue sticks, dry erase markers, and pencils frequently, so I recommend buying them during the summer sales and keeping some at home to use to replenish during the year.

Lockers are 10" deep, 12" wide, and 29 1/2" high. Students' backpacks must fit inside of their lockers (no backpacks with wheels).

The Physical Education Department would like you to please remember that good support sneakers are necessary for physical education class. Fashion sneakers that have platforms, zip-ups, sling backs, or slip-ons are not appropriate for safe physical activity.

I look forward to getting to know you all this fall. Have a wonderful summer!

Sincerely,
Ms. Whittier
